Thank you for the clarification. Let me know if the patient was satisfied with the visit. If we continue having problem with them we might need to find an alternative who accept UHC.

Tania,

We always reach out to Dr. Hoffman for these requests, in this case the patient has UHC insurance, unfortunately Dr. Hoffman doesn't accept it. My only available option to accommodate he, the same day, was our IM department.

Hichem

We have experienced many problems with this office (cancelling, changing last minute etc..) and they don't seem to accommodate our patients. Unless things have changed, I would like to use Dr Hoffman who pamper the international patients and is willing to go the extra mile for them.
